

## COOKIES

A cookie is an information file that the server of this website sends to the computer/smartphone/tablet of the person accessing the page to store and retrieve information about the navigation that is carried out from said computer.

www.serrat.es uses different types of cookies (technical, analytical and social) solely for the purpose of improving the user's navigation of the website, without any type of advertising or similar object. www.serrat.es, through cookies does not collect any personal data. All cookies, except one used by the Google Analytics statistics system, are temporary and disappear at the end of the session.

www.serrat.es uses in this website **the cookies that are detailed in the following table:**

**Technical cookies necessary or convenient for the provision of certain services.** If these cookies are disabled, you will not be able to correctly receive the contents of the website. Analytical cookies, for monitoring and statistical analysis of the behaviour of all users. If these cookies are deactivated, the website may continue to operate, notwithstanding that the information collected by these cookies about the use of our website and its content allows us to improve our services.

**Cookies from external social networks**, which are used so that visitors can interact with the content of different social platforms (Facebook, Twitter, YouTube, LinkedIn, Addthis,...) and there are generated only for users of these social networks. The conditions of use of these cookies and the information collected is regulated by the privacy policy of the corresponding social platform.

**The user may (at any time) choose which cookies he wants to work on this website by:**
