- Height-adjustable rear roller Ø 180 mm.

Green spaces

Offset Mulcher for works of maintenance in green areas, ways, channels, gardens and agricultural works, for tractors of 35 - 80 HP.

Angulations of work: +90° / -65° and rear hood with two interchangeable positions.

Constructed in materials of high elastic limit, to reduce its weight and to be able to work with tractors of low power.

- PTO 540 rpm.
- Gearbox with freewheel included.
- Front protection curtain.
- Hydraulic lateral offset mulcher.
- Front skid shoes.
- Model built under EC Normative.
- Safety indicators visible to personnel.
